The Art Lounge

The Art Lounge at Darlinghurst, is Sydney's sumptuous new venue of French infused cuisine. A vibrant restaurant and bar, The Art Lounge with its opulent furnishings and inner city location, has already become an institution.

The Art Lounge's enigmatic owner, Karim Gharbi, combines his French Algerian knowhow and award winning experience from the Gazebo Wine Garden and Sugar Mill Hotel to create a luxuriant atmosphere, that is affordable, accessible and zesty.

Come for a cocktail, stay on for dinner. You will be impressed and satisfied. The food is delicious and the service is fast and friendly. It's no surprise that the regulars have made The Art Lounge their number one venue.

With a showcase collection of paintings by resident artist, Charles Billich, The Art Lounge is a place to be pampered and an evening to be enjoyed.
