I play all the above at an advanced level. I play both Electric and Acoustic guitars and also Synth Guitar.

My work ethics as follows

- Timely arrival at recording studio or rehearsal studio.
- Effectively commit bespoke musical arrangement to mixing desk (or perform live).
- Contribute partly or wholly to the writing of the specific arrangement.
- Provide musical instrument and associated equipment to complete the task.
- Assist sound engineer and producer with recording and mix-down.
- Work tirelessly, often for long hours, until the part is completed satisfactorily.

Skills

- Theoretical knowledge of the building blocks of musical scales, keys, tempos and signatures.
- Diverse range of musical styles See above list.
- Own equipment guitars and effects.
- knowledge of recording studio working practice, or, if in live situation, the gig process.
- Ability to conjure sophisticated musical parts, often on the spot and under intense scrutiny.
- Full understanding of music composition (Advanced Level)
