Junichi T. West

Guitar Player, Songwriter, Teacher, Philosopher.

In Japan he began playing guitar at the age of 14, and within a year was writing songs and performing them in his hometown of Kobe, Japan. Junichi then spent years teaching guitar, performing and touring. Looking to broaden his horizons, he moved to Sydney Australia.

Junichi West has toured with many different bands here in Australia, Japan and the USA. During his musical career Junichi has been a session musician and now is working on his 2nd Album called: Industrial Complex which is an instrumental Album in the genre of Rock, Pop, and Fusion.

Junichi West is also available for Session work. He has been a session musician in Japan and Australia for over 20 years. JT will be able to help compose, arrange and play on any project that you throw his way. [For more info email JT](#)
